CONCEPT

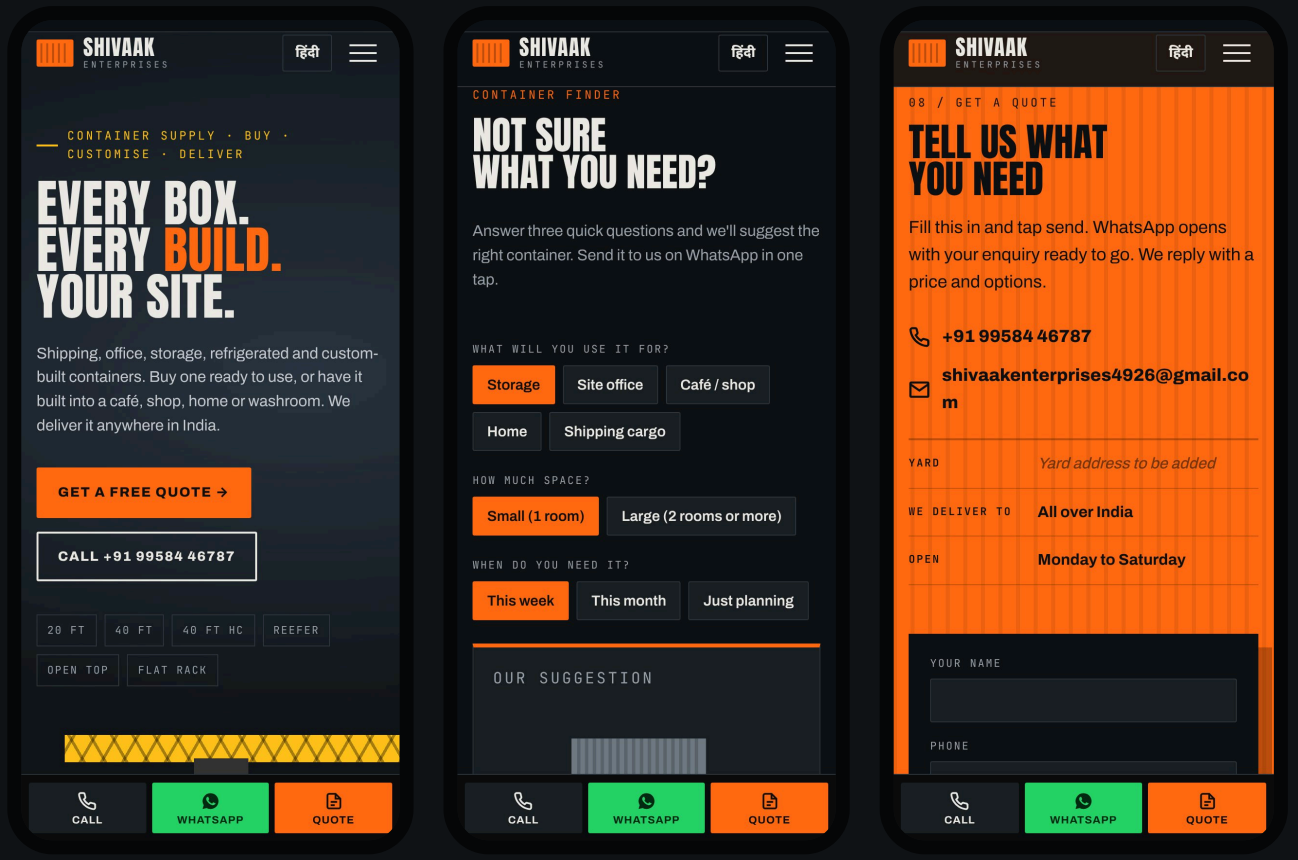

PORT YARD

Dark steel and safety orange, styled like signage in a container yard.

- **Container stack that builds itself in the hero**
- **Container finder that suggests the right unit**
- **Pallet fit drawn to scale in the size guide**
- **English and Hindi, with a Call / WhatsApp / Quote bar on phones**

> **Best for:** Fast, clear browsing on a phone. A site manager finds the right container and sends an enquiry in under a minute.

WHY SHIVAAK

Six reasons to choose you, in plain words.

05 / WHY SHIVAAK

BUILT FOR THE JOB

Every type, one supplier

Shipping, office, storage, reefer, custom and special containers from one source.

Buy or build

Buy a new or used container ready to use, or have it custom-built to suit your budget and timeline.

Custom fabrication

Cut-outs, insulation, electrics, plumbing and finishes, built to your layout.

Delivered to site

We handle transport and placement so you don't have to coordinate trucks.

Inspected units

Every container is checked for structure, doors and weather-tightness before it leaves.

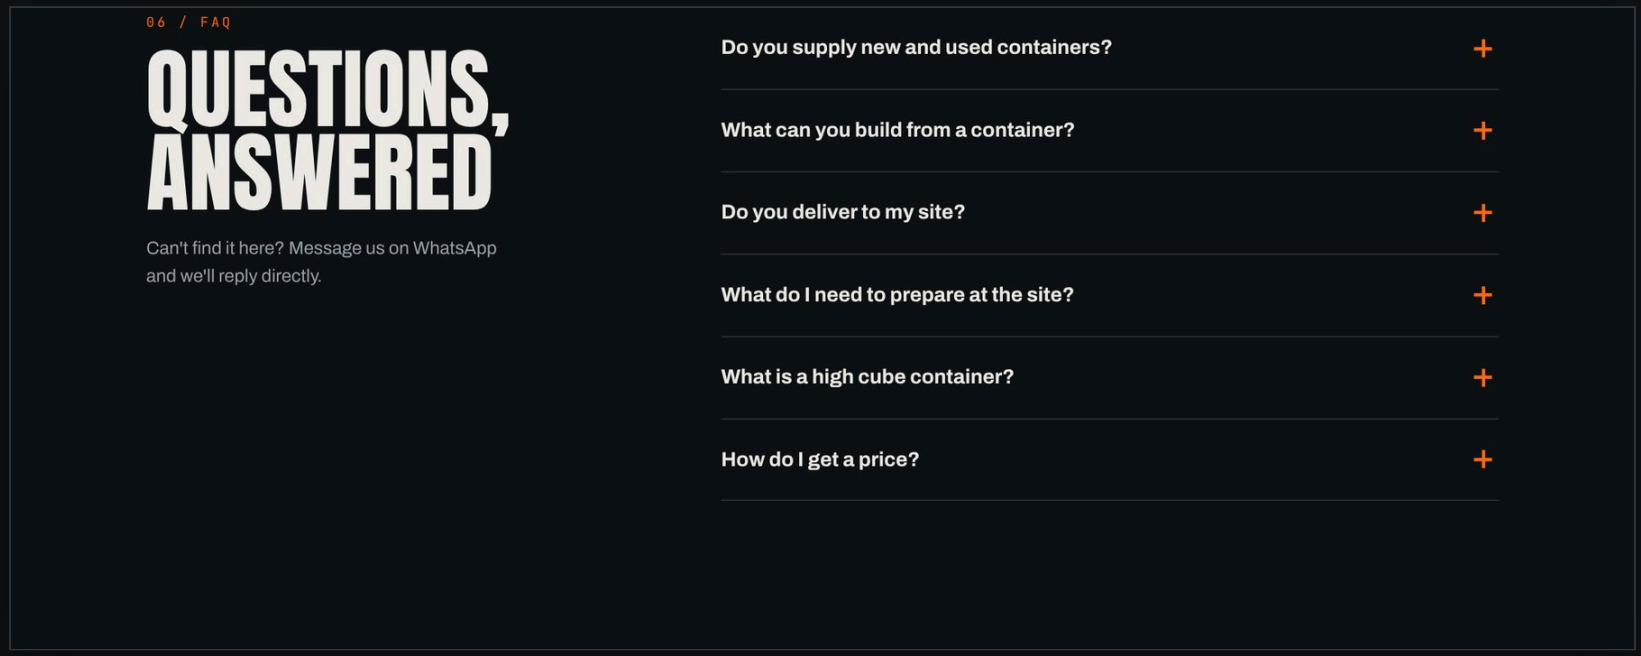

Quick replies

Message us on WhatsApp and talk directly to the team. No call centres.

CONCEPT

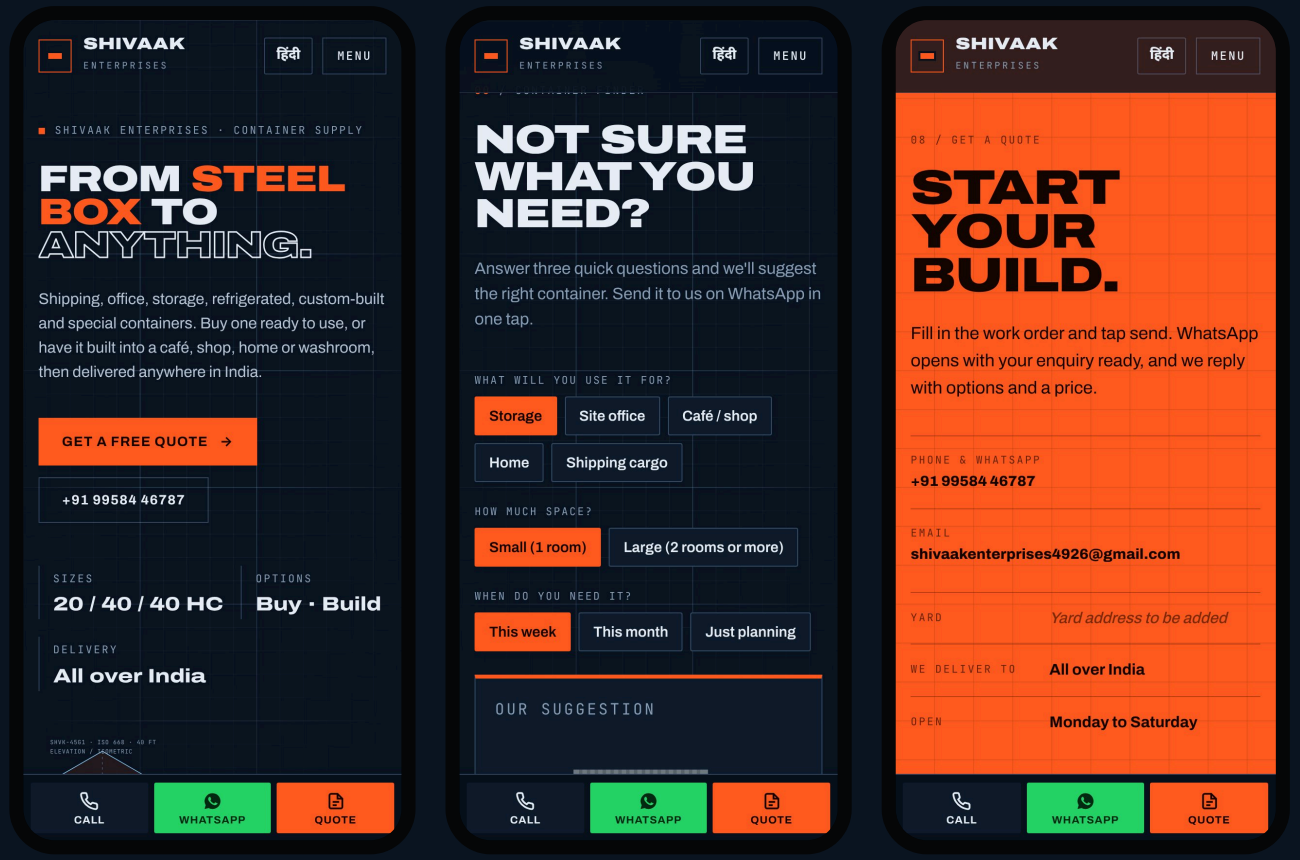

BLUEPRINT 3D

Engineering drawings and a 3D container, for a premium, technical feel.

- **Drawing of a 40 ft container that sketches itself**
- **One 3D container that turns into all six types**
- **Container finder and to-scale pallet fit**
- **English and Hindi, with a Call / WhatsApp / Quote bar on phones**

> **Best for:** Standing out and impressing larger buyers, and showing off custom builds such as offices, cafés and homes.

NEXT STEPS

WHAT'S NEXT

Choose a direction

Pick Port Yard or Blueprint 3D, or name parts of each you'd like combined.

Send the last details

Yard address and GSTIN. Both currently show "to be added" on the site. A Hindi speaker should also read through the Hindi version.

Add real photos

Photos of the yard, containers being loaded and finished builds will replace some illustrations.
